

WHPS PA GOLF CHALLENGE 16 SEPTEMBER 2011

Dear Golfers, Sponsors and Parents

You are invited to be part of the WHPS PA Golf Challenge 2011, our Annual Golf Fundraiser on Friday 16 September 2011 at the **Pretoria Country Club**.

The WHPS Golf Challenge is a highlight on our School calendar. This unique event creates an environment that enables golfers, parents, companies, alumni, pupils, friends and staff of WHPS to renew old acquaintances, create new ones and generally have a great golfing experience.

Those who are not keen golfers are invited to join in the fun at the Prize Giving Dinner where you will be able to share fellowship with friends of the School, have a glass of wine and possibly win some great prizes in our raffle.

For those of you who have participated in previous years, you know that a fun-filled day is in store for you. Please enter as many teams as you wish!

The golf day provides sponsors with an opportunity to spend the day with fellow golfing enthusiasts while promoting your product.

WHPS

Founded in 1923 by the Ruddell brothers, Waterkloof House Preparatory School is an independent school, offering education as follows: Grade 000 / Grade 00 (boys and girls) and Grade 0 to 7 (boys only), through the medium of English.

Affectionately known as WHPS, there is a certain element that sets Waterkloof House Preparatory School apart from any other school – its ethos is legendary. Boys at WHPS are afforded a learning experience that transcends the classroom. Headmaster, Mark Whitelaw, encourages focus on personal excellence; Independent and creative thinking, as well as a strong sense of passion for the task at hand; albeit in the classroom, out on a field trip, playing a musical instrument or competing on the sports fields.

Every member of the school's community contributes his own special gifts to create a unique environment.

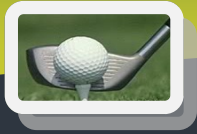

Individual teachers, boys, parents and support staff are all touched by the prevailing atmosphere at the school.

For boys who prefer to board at WHPS, the school offers boys a rich and diverse cultural, home-away-from-home, hostel experience. The various curricula offered by WHPS encapsulate the ethos of the school. To be a 'WHPSian' does not just mean that you have enrolled at the school and spent a number of years here. It is an intangible quality of gentlemanly behaviour, a solid value system, consideration for others, care for the environment and a sense of self-esteem which prepare the boys for the challenges of the future.

These qualities allow every child at WHPS to be the best that he can be. It is these qualities, added to the rich and rewarding all-round education on offer at WHPS, that make our boys so eligible for the high schools of their choice.
